Living and Learning Communities

2 in 20 Community Contract

Leach Hall

The 2 in 20 Community was created in 1992 to provide a supportive environment for lesbian, gay, bisexual and transgender (LGBT) students and their allies. Through programming and other initiatives to build community, residents are encouraged to learn about and actively seek ways to eradicate homophobia and heterosexism and support the rights of LGBT people. Resources available to the community include, but are not limited to, The Stonewall Center and Pride Alliance.

As a member of the 2 in 20 Program, I agree:

____(initial) To abide by all regulations as outlined in the Residence Hall Policies and the Code of Student Conduct, as well as the philosophy of the 2 in 20 community.

____(initial) To contribute positively to the community by offering support and encouragement for the living and learning environment.

____(initial) To respect my floor member's different motivations for choosing this living option.

____(initial) To actively participate in community events including, but not limited to, floor meetings, socials and building wide programs and to follow the charter of the community.

____(initial) To combat homophobia and heterosexism and support LGBTQ rights.

____(initial) To use inclusive and socially just language.

____(initial) To have my guests abide by all of the above.

The success of the community and the fulfillment of its mission are dependent upon full participation of all members. Residence Life may ask students who violate these agreements to re-evaluate their commitment to the 2 in 20 program. I have read the above and understand both the goals of the 2 in 20 program and my responsibilities as a member of the community. I understand that non-compliance with this contract may result in my relocation to another space on campus.
